

Wignalls 2023 Shiraz *Winemakers Notes*

Our 2023 Shiraz is announced by exotic spiciness and pepper derived from the classic dry Mediterranean summer. Complex rich dark blueberries, anise and spice have also been intensified with subtle blend of French oaks showing minimal charring.

The palate has flavours of strawberry, raspberry, with some wild berry, with fruit-based sweetness typical of Great Southern Shiraz, along with complexity derived from the Lake Grace fruit source. Soft tannins are a feature of this superb wine.

This medium bodied Shiraz is drinking well on release, but will benefit with cellaring over the next six years due to the rich and soft tannins.

Variety :	100% Shiraz
