

Wignalls “Albany Dew” Rose 2009

Fruit Source:

Wignalls Vineyard,
Albany

Fruit Varieties:

75% Cabernet Sauvignon
25% Pinot Noir

Alcohol:

13%

Our “Albany Dew” is designed for good times with good friends. A touch of sweetness is apparent (25 grms per litre) on the palate along with a strong perfumed nose of Strawberries and Violets. Particular attention has been paid to the residue sugar to make sure that the sweetness does not “override” the subtle fruit characters thus leaving the finish clean and refreshing, ready for the next glass around the BBQ. Try it slightly frozen as a smoothy – guaranteed to enjoy!

Cellaring is not required and this wine is best enjoyed chilled to around 8 degrees.
