*The 2008 Fronti shows fresh, tropical fruits, has a medium bodied mouth feel and a delicate acid balance.*

*The wine was cool fermented to retain freshness and a subtle fruitiness and slightly sweetened with unfermented grape juice.*

*This wine can be enjoyed by most drinkers, with a front palate that is sweet and fresh and a clean and semi dry finish.*

*A perfect complement to spicy Thai foods and creamy curries, as well as summer fish and chicken dishes.*
