

## *Wignalls 2004 Shiraz*

### *Winemakers Notes*

Our 2004 Shiraz is announced by intense black and white pepper with undertones of spice derived from a long and dry summer. Complex aromas have also been intensified with subtle French oak handling with minimal charring. The palate has flavours of blackberry, raspberry and cinnamon with a fruit based sweetness created by what we call “rack and return” fermentation. This medium bodied Shiraz is drinking well on release but will benefit with cellaring over the next five years.
