

## *Wignalls 2008 Shiraz*

### *Winemakers Notes*

Our 2008 Shiraz is announced by intense cracked black pepper and spice derived from the classic summer. Complex fruitful aromas have also been intensified with subtle French oak handling with minimal charring. The palate has flavours of blackberry, cassis, raspberry and cinnamon with a fruit based sweetness created by what is called “rack and return” fermentation.

This medium bodied Shiraz is drinking well on release but will benefit with cellaring over the next six years due to the medium weight tannins.
